Our Beliefs About Weddings

As a United Methodist church, we believe marriage is the beginning of a lifelong mutual commitment made in the presence of God. A wedding is a sacred ceremony and deserves careful preparation.

To help you enjoy the blessings of marriage and the sanctity of its vows, we request:

PREMARITAL COUNSELING IS REQUIRED

We want to get your marriage off to a strong start, so we require premarital counseling for all couples. For couples utilizing a pastor associated with Baker Memorial United Methodist Church, this consists of a partial-day session held on a Saturday and two to three individual follow-up sessions with your pastor. You are welcome to contact your pastor in advance of your counseling sessions if you have questions.

If your pastor is not affiliated with Baker Memorial United Methodist Church, we will need a letter from whomever provides your premarital counseling confirming that you have completed this important step.

CHRISTIAN CEREMONY

We would be delighted to have one of our Baker pastors perform your ceremony. Your service may include a non ordained speaker. However, an ordained pastor must officiate the service, the vows, pronounce the marriage and sign the license. If you will be utilizing your own pastor, we will need a letter on church letterhead affirming their license and explaining their affiliation. Please note that on-line marriage officiant or clergy ordinations are not sufficient credentials for officiating weddings at the church.

Note: Our Wedding Coordinator will connect with outside officiating pastors to discuss potential services to be held here.

MARRIAGE LICENSE

Please obtain a **Kane County Marriage License**. This license must be issued at least one day before your wedding. For information on the License, you may call the County Clerk's Office at 630.232.5950. Please bring the License with you to the Rehearsal and give it to the Minister at that time. We must have it before the wedding ceremony.

Facility Options

Baker Memorial UMC weddings are scheduled in three-hour blocks Friday-Sunday. Other days are available on a limited basis. We may schedule more than one wedding in a day, but there

must be at least one hour between the end of one three-hour block and the beginning of another. The wedding coordinator will work with Baker staff on the setup of the Sanctuary or Chapel, dressing rooms, lobby, and any other requested areas.

If your reception will be held at Baker Memorial Church,

please discuss your choice of caterer with your wedding coordinator. We also suggest you provide a light snack for the wedding party sometime before the ceremony to help avoid getting lightheaded or fainting. **Please note, no alcohol or smoking are allowed on the Baker Memorial United Methodist Church premises.**

THE SANCTUARY AND CHAPEL

You may request either the Sanctuary or the Chapel for your ceremony. The Sanctuary seats approximately 350 and the Chapel about 75 comfortably, 85 full capacity.

- *Invitations for a Sanctuary wedding should read:*
Baker Memorial United Methodist Church
Main Street at Fourth Avenue, St. Charles, Illinois
- *Invitations for a Chapel wedding should read:*
Baker Memorial United Methodist Church
Main Street at Third Avenue, St. Charles, Illinois.

Both the Sanctuary and the Chapel are handicapped accessible via ramps on the outside of the building and an elevator inside.

The following equipment is available for weddings in the Sanctuary or Chapel:

- A podium for the guest book
- Basic microphone setup (lapel for pastor, 1-2 podium microphones for solos and readings)
- A table for the unity candle; you may use our unity candle at no extra charge
- Aisle and window candles
- Flower and music stands
- Organ and piano

PARKING LOTS

Lots and on-street parking are generally available for weddings. Over 500 spots are within a five-minute walk of the church. On certain weekends, due to community activities like Scarecrow Fest in October, parking can be extremely limited. We will do our best to warn you about upcoming community events, but please note that weddings are often scheduled before community calendars are published.

DIRECTIONS TO THE CHURCH

From the North: Take Rte 25 or Rte 59 south to Rte 64. Turn right on Rte 64 to 3rd or 4th Avenue in St. Charles.

From the South: Take Rte 25 or Rte 59 north to Rte 64. Turn left on Rte 64 to 3rd or 4th Avenue in St. Charles.

From the East: Take Rte 64 east to 3rd or 4th Avenue. Turn right to the church.

From the West: Take Rte 64 east to 3rd or 4th Avenue. Turn left to the church.

IMPORTANT: Be sure to look for 3rd/4th Avenue, not Street. In St. Charles, the numbered Avenues are on the EAST side of the Fox River. Numbered Streets are on the WEST side.

Coordinating Your Wedding

Once your date request has been approved, a Baker Memorial wedding coordinator will contact you approximately four months prior to your wedding date to assist in planning the details of your wedding. Your coordinator will be your liaison with the church, attend the wedding rehearsal and wedding, and be your resource for logistical questions about your wedding day.

INITIAL WEDDING COORDINATOR MEETING

At this meeting, your coordinator will discuss with you the details of your wedding service. The coordinator will also review the Sanctuary set-up and answer any questions you may have. You may contact the wedding coordinator or visit the church before your wedding, as well. We hope you will visit and bring family members or guests! The office is generally open 9am-5pm weekdays. Worship services are held at 9am and 10:30am on Sundays.

YOUR REHEARSAL

Both the officiating pastor and your wedding coordinator will direct the rehearsal. Your

coordinator will provide tips on etiquette and coordination, meet with the ushers, review roles and responsibilities, and coordinate the start time and program cues with the pianist or organist.

Please urge all wedding participants, including the musicians, if possible, to attend the rehearsal. On occasion, two rehearsals are scheduled for the same day, so please encourage everyone to arrive 10-15 minutes early and plan for delays due to traffic. Westbound Rte 64 is congested and slow during evening rush hour.

The rehearsal lasts 45-60 minutes, depending on the size of the wedding party and the time required to review roles and responsibilities.

Ushers, parents and grandparents are strongly encouraged to attend the wedding rehearsal to learn their cues and order of service.

YOUR WEDDING DAY

Your coordinator will arrive at the church before the wedding to check the setup, turn on lights, open the door for the florist and assist as needed.

The coordinator will assist the florist, familiarize the photographer with the area, and guide the wedding party to their changing rooms.

Brides and their attendants generally dress or gather in the Parlor, located on the church's lower level by the Third Avenue entrance. Photographs may be taken there and in the courtyard outside the Parlor.

Grooms and their attendants dress or gather in our Library or Baker Hall, located just off the Cedar Avenue hallway.

The coordinator will help the wedding party with any last-minute details and line up parents and attendants to ensure a timely start. Your wedding coordinator will also provide suggestions for your receiving line and help line up the participants, if you choose. You may reserve parking spaces along Rte 64 for a limousine, trolley, or other special modes of transportation.

Information for Your Service Providers

Please share the following information with your florist, photographer and musicians in order for your day to go as smoothly as possible.

YOUR FLORIST

- Flowers, corsages, boutonnieres, bows, garlands, etc. should be labeled and arrive two hours before the ceremony begins.
- The candles on the altar and the seven-branch candelabra are available for all weddings. You may also use the church's Unity candle. Aisle and window candles are available from the church. You may have a florist decorate them or use them as they are.
- The wedding coordinator will designate where the flowers should be delivered and unwrapped or unboxed.
- Pew decorations must be affixed with non-marking fasteners such as rubber bands, strings or plastic clips.
- For your safety, aisle runners are not permitted. Many brides choose to scatter silk flower petals down the aisle in lieu of a runner. Please keep in mind that only silk petals may be dropped in the Sanctuary to prevent staining the marble floors.

YOUR PHOTOGRAPHER

- Your wedding coordinator will be a good resource for your photographer before and during the wedding. Flash photography is not allowed during the ceremony except during the processional and recessional.
- Shots may be re-staged after the ceremony.
- To preserve the sacred nature of the wedding ceremony, once the ceremony begins, the photographer is not allowed to stand near the front of the church by the bridal party or bride and groom. Your pastor or wedding coordinator will work with your photographer on this guideline. The pastor has the final say.
- The ambient lighting in the sanctuary is generally sufficient to take beautiful photos.
- Photographs from the inside balcony and the outside veranda are especially lovely.

YOUR VIDEOGRAPHER

- Stationary unobtrusive video recording is welcome.
- Videographers must be positioned behind the first sitting posts in the side aisles, after the ceremony begins. Videography can be very effective from the balcony.

Selecting Music

ORGANIST OR PIANIST

Your wedding coordinator will schedule an organist for your ceremony based on availability. If you prefer a pianist, your wedding coordinator can assist you. Other musicians such as soloists can be discussed and scheduled for an additional fee.

MUSIC SELECTION

Questions regarding music, appropriateness or lyrics may be directed to the Baker Memorial organist. The organist will be able to assist you in choosing instrumental and vocal music. The officiating pastor will make final decisions on the appropriateness of all music.

MUSIC COPYRIGHT LAWS

Baker Memorial Church belongs to an organization called Christian Copyright Licensing International (CCLI). Printing copyright information along with our CCLI number allows us to use most choruses and hymns. If you are planning to print songs in your wedding program, please let your wedding coordinator know. The copyright information must be included because we are responsible for reporting all music used during any service at the church. The copyright does not extend to music outside the church repertoire.

Reception Options

We invite you to hold your wedding reception at Baker Memorial. We have two spaces that accommodate over 100 people comfortably.

- **Baker Hall** is on the church's upper level. Its beamed ceiling, wood floor and stained glass windows create a welcoming, romantic setting, especially by candlelight.
- **Wiley Hall** is on the church's lower level. It is carpeted and is attached to the fully-equipped church kitchen.

Baker Memorial provides 60" round tables, each of which comfortably seats eight people. We can also provide 6-foot rectangular tables for a head table and for buffet tables.

You will need to work with your caterer or florist for decorations. Please coordinate scheduling for decorating the reception space through your wedding coordinator.

A certificate of insurance must be provided, if using outside caterer.

See page 8 for reception fees.

Your Ceremony

OFFICIATING YOUR WEDDING

If Baker clergy will officiate your wedding, they will contact you shortly after you have attended the premarital counseling session. You can expect to meet with the officiating pastor two to three times before the wedding date to plan your service in detail and to do personal pre-marriage counseling. The clergy is responsible for helping you choose scriptures, plan the flow of the ceremony, and determining the vows you will use.

It is common outside of church settings to use friends or family members as officiants. Inside the church setting, friends and family members may be asked to participate in meaningful ways. However, licensed clergy members must perform key parts of the service. Our desire is to help plan a beautiful, meaningful and personal ceremony as well as help you form a strong foundation for a lifelong commitment.

If you desire to utilize clergy who are not associated with Baker Memorial UMC, the clergy member will need to provide certification of ordination or license for ministry by a recognized faith tradition. They will also need to provide a letter of completion, when you have

completed your pre-marital counseling. Please note that on-line or other officiant certifications are not sufficient credentials for performing weddings. Please work with your wedding coordinator to verify that your desired officiant's credentials are sufficient. Please begin this process early to avoid disappointment.

ORDER OF SERVICE

You will plan the order of service for your wedding when you meet with the officiating pastor. Together, with your pastor, you can adjust this plan to meet your desires.

Listed below is a typical order of service for a traditional wedding, to assist in thinking about your ceremony.

- Prelude music
- Processional
- Greeting/Call to Worship
- Hymn/Prayer
- Giving of Consent
- Solo/Hymn
- Readings

- Communion (if desired)*

- Pronouncement of the Marriage

*Note: Communion, in the United Methodist tradition, is open to all people attending. We require that all services including communion invite all attendees to receive the bread and cup if they desire.

Music for Weddings

We have a wonderful organ that provides a beautiful setting for a traditional wedding. Mark Edwards, our resident organist, has provided a list of music pieces that work well for a traditional wedding. If you would like to arrange for music that does not utilize organ or traditional music, please let your wedding coordinator know and she will arrange for a different musician.

PRELUDE MUSIC: This usually begins about twenty minutes before the wedding begins. May consist of suitable and classical pieces of joyous character.

PROCESSIONAL OF PARENTS: This music can be part of the prelude or a separate piece. A favorite is Jesu, Joy of Man's Desiring.

- The songs and pieces listed here are given to you as recommendations based on Mark's years of experience playing for many weddings. They have proven to work well.
- Music included in weddings is to be performed live. On rare occasions, special music selections that can not be adequately performed live may be included in the body of the ceremony. This is at the discretion of the pastor. Baker Memorial UMC does not accept responsibility for the acoustic quality of recorded music being played.
- A music consultation session is recommended at Baker Memorial UMC.

Your Vows

We have provided some possible vows for your wedding to assist you in this important part of your ceremony. You may also choose to write your own vows or adjust them to capture the nature of your commitment. Please coordinate this with your pastor at least one month before the wedding.

Marriage Vows

- In the name of God, I, X, take you, Y to be my wife/husband. To have and to hold from this day forward, for better or for worse, for richer or for poorer, in sickness and in health, to love, cherish and respect until we are parted by death. This is my solemn vow.
- X, in the presence of God, our family, and friends, I take you to be my wife/husband, together to love, to work and to share, to grow and to understand, to discover a deep, full life united as one, so long as we both shall live.
- X, today in the presence of God, I commit myself to you as your husband/wife for as long as we both shall live. I have nothing to offer but my hopes for us, my dreams for our future, my strength to invest in our marriage, my all. Today I give you the heart and the soul of who I am, not because I think I will lose who I am, but because I know I can be more truly myself with you than without you.

In the presence of God I, X, take you, Y, just as you are, above all others, and however you may change, to share my life as long as we both shall live.

Words for the Exchange of the Rings

These words are spoken as you place the ring on your spouse's finger. If none of these feel right, these words may be customized to fit with the scripture or other readings you have chosen for the service.

- X, I give you this ring as a sign of my never-ending love and faithfulness.

- X, with this ring I thee wed, in the name of the Father, the Son and the Holy Spirit.
- X, I give you this ring as a visible sign of the vows we have made today.
- X, I give you this ring, as a sign of my love which hopes all things and endures all things.
