

BAKERKIDS

A NEW SEASON OF SUNDAY SCHOOL AT A NEW TIME!

Sunday School will now take place during the worship service. We will continue to follow the *Big Faith* curriculum's scope and sequence. Children will begin worship with their families and proceed to the classroom after the children's message.

BakerKids Sunday School provides a fun, safe, and welcoming environment where children can explore faith, values, and friendship. Our dynamic program brings faith to life through engaging Bible lessons, interactive activities, captivating stories, and even science experiments.

Our dedicated volunteers, who are artists, cooks, and enthusiastic teachers, create a vibrant faith experience for every child. We introduce a core faith concept and then delve into Bible narratives through storytelling in a single classroom setting. This is followed by hands-on activities, a time for reflection and sharing what was learned, and finally, prayer.

Give your child the gift of a vibrant faith experience—sign up for BakerKids Sunday School today! Registering your child is simple and ensures they have a spot in our engaging program. Please enter the contact information for at least one parent. An emergency contact is also required. Classes begin September 7. **Sign up on the church app, website, or use QR code below.**

To allow families to take communion together, Sunday School will be shortened on the first Sunday of each month. Here's a breakdown of the monthly Sunday School schedule:

1st Week of every month: Activities will include making music, singing, a Bible lesson, and learning Faith words and Bible verses. A variety of musical instruments and sound-making objects will be available to encourage creativity and spiritual growth.

2nd-4th Week of every month: Our Bible-based Sunday school offers interactive fun with storytelling and puppets. Each week features engaging activities like cooking, crafts, science projects, and games, always concluding with prayer.

Sunday Funday–3rd Week of every month: Sunday Funday will now take place after Sunday School and church, during fellowship time in Baker Hall. This allows all children to participate in these fun and engaging theme days with object lessons, crafts and DIY faith projects. All ages are welcome to join the fun! We are always looking for an extra helping hand or two.

We look forward to welcoming your child to BakerKids Sunday School! If you have any questions, please don't hesitate to contact Shelly Stienbarger at sstienbarger@bakermemorialchurch.org.
